It's been seven hours and fifteen _____
Since you _____ your love away
I go out every night and sleep all day
Since you took your love _____
Since you been gone I can do whatever I want
I can see whomever I choose
I can eat my dinner in a fancy restaurant
But nothing
I said _____ can take away these blues
'Cause _____ compares
_____ compares to you

all the flowers that you planted, _____
In the back yard
All _____ when you went away
I know that living with you baby was
sometimes hard
But I'm _____ to give it another try
_____ compares
_____ compares to you
Nothing compares
Nothing compares to you
Nothing compares
Nothing compares to you

It's been so lonely without you _____
Like a bird without a song
_____ can stop these lonely tears from
falling
Tell me baby where did I go wrong
I could put my arms around every boy I see
But they'd only _____ me of you
I went to the doctor n'guess what he told me
Guess what he told me
He said girl u better try to have _____
No matter what you'll do
But he's a fool
'Cause nothing compares
_____ compares to you
