Read the paragraph. Find the text and answer the questions.

What chores do you like to do? I like to bake cookies, sweep the floor and water the plants. How about you? I like to wash the dishes, fold the clothes and make the bed. How else can you help? I can set the table when its dinner time and clean the windows with mummy. Why should you be helpful around the house? I should be helpful because it's polite. Thanks. I must go now and feed my pets. Bye.
