Hi Mary. Where did you visit? I visited some interesting places. The villages were more interesting than the temples. The islands were the most interesting. Where did you go? We went on some exciting trips. The camel trip was more exciting than the boat trip. The helicopter trip was the most exciting. What did you see? I saw some dangerous animals. The crocodiles were the most dangerous. What else did you see? I saw some beautiful places. The waterfall was more beautiful than the cave.
