

# Cultural differences and similarities

Name: \_\_\_\_\_

Date: \_\_\_\_\_

In pairs, think about the differences and similarities between two cultures. Think about the following information:

*Education*

*Food*

*Traditions*

*Sport*

*Religion*

*Weather*

<u>Culture</u>	<u>Differences</u>	<u>Similarities</u>
Education		
Food		
Traditions		
Sport		
Religion		
Weather		

## Teacher Instructions

The purpose of this worksheet is for students to be able to identify and compare the similarities and differences between their two chosen countries.

To help with this exercise here is an example.

Chosen countries: United Kingdom and China.

<b>Culture</b>	<b>Differences</b>	<b>Similarities</b>
<b>Education</b>	U.K public schools have smaller class sizes. Ranging from 25 to 30. China however has class sizes of 50 to 70.	U.K and Chinese students have to pay for their own school uniforms.
