Find the text in the maze!

There are many types of television programs and movies to watch on T.V today, some of these are about nature, sports, comedy, magic, news and even cooking. So, if you like to watch animals see the latest nature programs on offer. However, if you prefer more exciting and physical programs have a look at sports programs. These will cover football, basketball and more. If you think sports are boring you could even watch the news to improve your knowledge of interesting current affairs.
