The zoo is an exciting place to see animals. What are all the animals doing? The camel is sleeping. That giraffe is eating. Those parrots are flying. The monkeys are swinging. The horses are galloping. The kangaroos are hopping. The hippos are swimming. The tortoise is crawling. That is why all animals are special.

1. What is the tortoise doing?	
2. What are the horses doing? _	
3. What is the camel doing?
