Find the text in the maze. Answer the questions.

Hank and Nikki have been close friends for a long time. They have gone through school together. However, last year was difficult. Hank had realised that Nikki was very popular at school because she had always been a reliable, courteous, trustworthy and loyal friend. For this reason, Hank had been jealous for a while. On the other hand, Nikki was always trying to help her friends. Ask yourself. Have you ever been jealous? Have you ever been selfless?

1.	Who has been friends for a long time?									
	3									
2	Have you ever been jealous?
