Find the text in the maze. Answer the questions.

Harry, Monica and Dorothy have been friends for a long time. All three friends have dreamt of travelling to the Americas. Their goal has always been to cycle from Alaska to Argentina. To pay for the journey, the friends saved money for years. The route they have taken is challenging. Along the way, they had visited ancient and modern cities and also recorded information at every moment. The friends advice is to have a relaxed personality, when taking on a difficult challenge.

2. Where have they dreamt of travelling? _____
