

Song: Sometimes

You tell me you're in love with _____
Like you can't take your _____ eyes
away from me
It's not that I don't want to stay
But every time you come too close I move

I _____ believe in everything that you say
'Cause it sounds so good
But if you really want me, move _____
There's things about me you just have to
know

_____ I run
Sometimes I hide
_____ I'm _____ of you
But all I really want is to hold you tight
Treat you right
Be with you day and night
Baby all I need is time

I don't _____ be so _____
Every time that I'm alone I wonder why
Hope that you will wait for me
You'll see that you're the only one for _____

I wanna believe in everything that you say
'Cause it sounds so _____
But if you really want me, move slow
There's things about me you just have to

Sometimes I _____
Sometimes I hide
Sometimes I'm scared of _____
But all I really want is to hold you tight
Treat you _____
Be with you day and night
Baby all I need is _____

Just hang around and you'll _____
There's nowhere I'd rather be
If you _____ me, trust in me
The way that I trust in you

Sometimes I run
_____ I _____
Sometimes I'm scared of you
But all I really want is to hold you tight
Treat you right
Be with you _____ and _____
Baby all I need is time

Music by: Britney Spears

Questions

1. Who is she singing about? And why?
2. What does '*treat you right*' mean?
3. Why is she scared?
4. What does she need time for?
