Find the text in the maze. Answer the questions.

Hello, Scott. What can a blizzard do? A blizzard can blow snow. What can a sandstorm do? A sandstorm can blow sand. What can a tornado do? A tornado can destroy homes. What can a hailstorm do? A hailstorm can smash windows. What can a thunderstorm do? A thunderstorm can explode trees. Lightning can explode trees too! Thank you. You're welcome, Sophia. Goodbye.

1. What can a blizzard do? _	
2 What can a tornado do?
