

Family Advice

Name: _____

Date: _____

In pairs, role play a situation about family life. One student is the parent, while your partner will be the child needing advice. Use the following words to offer advice and the scenarios provided.

You ought to...	You'd better...	You'd better not...	You shouldn't...
You should...	I feel that...	It would be...	Perhaps...
It seems to me that...	You may...	I'm sure that...	Probably...

Failed an exam	Smoking	Being bullied
Argument with friend	Going abroad	Starting at a new school
